

Basket Full of Turnovers

Wall hanging (44" x 54")
80 Turnover Triangles
1 Panel for girl
1 ½ yards Background Fabric
⅛ yard Inner Border Color 1
⅛ yard Inner Border Color 2
3 yards Backing
½ yard Binding (cut 6 – 2 ½" strips)

Width of fabric calculated at 40" of workable fabric. All seams are ¼".

Background

From your background fabric cut the following:

- 1 – 6" strip. Then cut 4 – 6" squares. Cut each of those in half diagonally to get 8 triangles.
- 1 – 5 ½" strip. Then cut 4 – 5 ½" squares.
- 5 – 2 ½" strips. Put aside for borders.
- 6 – 4 ½" strips. Put aside for borders.

Inner Borders

From your Inner Border fabric cut the following:

- Cut 3 – 1 ½" strips from Inner Border Color 1. Put aside for borders.
- Cut 3 – 1 ½" strips from Inner Border Color 2. Put aside for borders.

Tip:

These will make the star points. Pick turnover fabrics that have good contrast to your background.

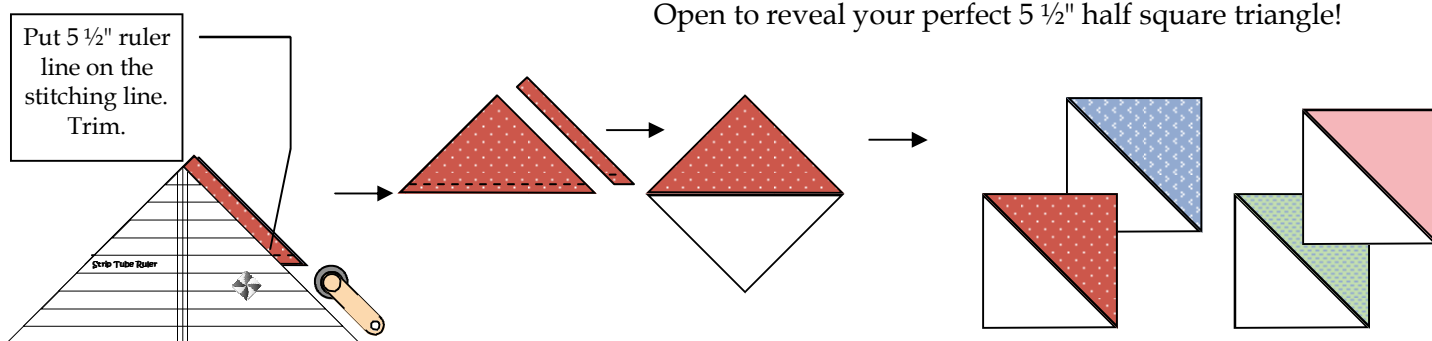

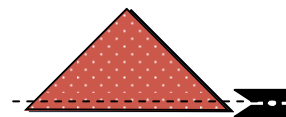

Making the Blocks

Put a turnover triangle right sides together with a background triangle (see Tip).

With a ¼" seam, sew together as pictured. Don't open yet.

Now, square up to 5 ½". To make this super easy, use [The Strip Tube Ruler™](#).

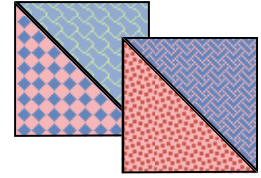

With the triangle still together, place the 5 ½" ruler line on the stitching line so that the left edge of the ruler lines up with the left edge of the triangle*. Slice off the fabric on the right. (*If you are left handed, line up with the right side of the triangle. Slice off the left.)

Continue on to make 8 – 5 ½" half square triangles from turnovers and background.

Making the Blocks (continued)

Using the same sewing and squaring up technique, partner two turnover fabrics together to make print half square triangles. (See Tip Below)

Make 36 – 5 1/2" half square triangles from turnover fabrics.

Add the background squares and assemble your blocks as pictured below (before borders).

Tip:

I put all of the light turnovers together and arranged them in the bottom right of the patchwork so they would create a subtle transition.

Now, add the borders in the following order:

Border 1

1. Top (2 1/2" of background)
2. Left (2 1/2" of background)
3. Bottom (4 1/2" of background)
4. Right (4 1/2" of background)

Border 2

1. Top (1 1/2" of Color 1)
2. Left (1 1/2" of Color 1)
3. Bottom (1 1/2" of Color 2)
4. Right (1 1/2" of Color 2)

Border 3

1. Top (2 1/2" of background)
2. Left (2 1/2" of background)
3. Bottom (4 1/2" of background)
4. Right (4 1/2" of background)

Fussy cut the girl from the panel and appliqué onto the quilt!
